CORPORATE REVIEW

Benfides Ventures Limited is a shipping company, offering a comprehensive range of ship and cargo related services in Africa. Since incorporation we have been working with indigenous and multinational companies.

Our local services include; Stevedoring, lashing and securing, warehousing, crew change, bunker supply, forwarding, custom clearing and barging.

Our primary services include supporting offshore construction projects, and marine agency services. The clearing and forwarding department acts as a full-fledged third party logistic provider.

The main asset of this company is in its personnel with the knowledge of experience they possess coupled with their integrity and reliability.

VISION AND MISSION STATEMENT

The fundamental vision and mission statement of BENFIDES VENTURES LIMITED is to become a global shipping, clearing and freight forwarding outfit, rendering clients superior value for their money and patronage through safe and timely delivery of their consignment. Harmonize with the host communities and leave a sustainable economic footprint by going green in our areas of operation.

BENFIDES VENTURES LIMITED CULTURE

- Benfides Ventures Limited has a culture that is anchored on belief in humanity, team spirit and team work.
- We believe in creativity, innovation and most importantly excellent client relationship along with satisfaction.
- For us at Benfides Ventures Limited, providing outstanding customer care is an absolute objective – we give you ‘what you want where you want’, quality service at the barest minimum.
- Our operating philosophy, personnel policies, communication network, facilities on ground, quality assurance procedures and entrenched customer feedback mechanism play a vital role in assuring that excellence is guaranteed.

BENFIDES VENTURES LIMITED CORE VALUES

Benfides Ventures Limited has three core values that form the foundation of its corporate culture and belief system. This acts as a daily guide in how we do business and relate with our clients.

- Professionalism and Service Delivery
- Resourcefulness and Responsiveness
- Diligence and Humility

This unique combination that is rare to find in many companies sets BENFIDES VENTURES LIMITED apart and guarantees quality service while utilizing different modes of transport in our operations.
